

KINGSTON

KINGSTON PRODUCTION DIRECTORY

Film crew, actors, musicians, composers, and production support services (caterers, equipment rentals, electricians) can register for the Kingston Production Directory. You can also register your property as a location for productions.

Producers, casting agents, event organizers, directors, and location scouts use the Kingston Production Directory when planning a new production or event in our region.

Crew, cast & support services

Visit filminkingston.com and choose Production Directory.

If you are looking for opportunities as cast or crew, register as Crew & Talent.

If you operate a business and can provide a service to productions, register as Support Service.

Locations

Productions use a wide variety of locations, from private homes to outdoor spaces.

Contact film@tourismkingston.com with information about your space. Photos are helpful, but not required.

When we follow up, we may arrange for photos.

More ways to get involved

- 1 **BANDWIDTH** – a monthly series of panel discussions and networking events designed for musicians and music-fans of all ages and experience levels.
- 2 **MAKERS MEETUP** – a series of free networking events to enrich our local creative scene. This series is free and open to everyone.
- 3 **FILMMAKER SHOW & TELL** – a collaboration with the Cinema Society of Kingston and The Screening Room, this series provides a supportive environment to share excerpts from your latest project or work in progress.
